

How to Raise a Heathen

1. Never talk about God to your children.
2. Make your life, your conduct, and your behavior indistinguishable from the pagan world around you.
3. Never teach your child about the Catholic Faith.
4. Do nothing to instill Catholic values in the child.
5. Never teach your child to pray, most especially morning, and night time prayers, including the Most Holy Rosary.
6. Make sure not to have a Bible (Douay Rheims) in your house. (If you do have one, you may keep it dusted, but never take it out to read to yourself or to your child.)
7. Use bad language in front of your child, especially using the holy name of God and Jesus Christ in vain.
8. Let the television or the internet with all its filth, baby-sit your child for long hours each day.
9. Never say grace before and after meals.
10. Have little or no Catholic books in your home.
11. Pretend God, the devil, heaven, and hell do not exist.

Remember:

“If a child goes to hell (God forbid!) because of the neglect of the parents teaching them their faith, you can be sure the parents will follow.” (St. John Vianney)

“But he that shall scandalize one of these little ones that believe in me, it were better for him that a millstone should be hanged around the neck and that he should be drowned in the depths of the sea.” (Matthew 18: 6)
