

Praised be Jesus, Mary, and Saint Joseph, now and forever. I can send you 10 DVDs with VERY VALUABLE INFORMATION on them. It is probably about 850 to 900 hours' worth of listening time to hear all of the MP3 files. The following labels show what is on each of the 10 DVDs, which includes most of what was currently available at <http://JMJsites.com> in 2012. The numbers in red are the files loaded into a 16 GB MP3 player. The numbers in blue show how many cassette tapes were used to originally record the books or music. The majority of the time, 90 minute cassette tapes were used. This might be helpful for you to understand how many files you can load onto an MP3 player. I will send you 10 DVDs, and you can listen to the MP3 files directly off of the DVDs. Or else you can transfer the files onto your hard drive, MP3 player, your cell phone, or whatever plays an MP3 file. If you wish to make your own CDs, you will have all of the files convenient to do so. Subsequently if you want something else on the MP3 player, simply delete some files previously loaded onto the MP3 player and then copy the new files onto it.

†††JMJsites††† The following information was added to this webpage February 28, 2020 †††JMJsites†††

If you go to the AUDIO tab and look at the audio files available; you will see that most all of those were already on the website in 2012. The material on the 10 DVDs will not include anything that was not available at that time. One of the new additions would be titled *Pathways to Peace*; as listed alphabetically under the AUDIO BOOKS link. If you come across that file, or any other MP3 file, or PDF file, or other files on the website; that are not on the 10 DVDs or that you would just like to save to your own computer, then it is simple to do so. All you need to do is right-click on the hyperlink, and then choose the option “save link as”. Next, make folders on your hard drive and save that file to your own computer.

Another project I have started but have not yet finished can be found under the *Fun and Serious* section. Therein you can find some humor and also some extremely important "food for thought", <https://www.jmjsites.com/funandserious.html>. This section was not on the website when the 10 DVDs were made.

Another important section of the website that will not be found on the 10 DVDs includes the meditations and readings of St. Alphonsus Maria Liguori:

<https://www.jmjsites.com/meditationsandreadings.html>

Since the time of making the 10 DVDs available, I have added quite a number of PDF files under the VARIOUS TOPICS link and under the WHAT link that will not be on the 10 DVDs. For example, here is the hyperlink to one of those articles:

<https://www.jmjsites.com/nopersonwillremainanon-catholicwhobelieveswhatthebibleteaches.pdf>

Please take special notice that DVD number nine contains some of the unabridged sermons from Father Francis Hunolt. However, at the time those recordings were made I did not have good recording equipment to make MP3 files, or a way to edit them. At the beginning they

were just recorded by me calling the free conference line and recording through the telephone. There was no way to correct any mispronounced words or the other many mistakes I make while recording. At this time however I now have a better Blue Yeti microphone and a program that enables me to edit the file at least to some degree. Therefore, I am now again in the process of rerecording all of the unabridged sermons of Father Francis Hunolt. If you now go to the LITURGY tab (for example the first Sunday of Lent = <https://www.jmjsite.com/1st%20Sunday%20of%20Lent.html>) you will see the word Yeti behind some of the hyperlinks. Anytime you see this word Yeti; it will indicate that recording was made with better equipment – and therefore an improvement in its quality. I realize that I do not have a good recording voice like my friend Al. Nevertheless, I am making the recordings available for myself and anyone else in the world who wants to listen to them. Any of these files can be obtained by anyone in the world by right clicking on the hyperlink and saving it – as I explained above.

Anybody who would like to receive the 10 DVDs needs to email me their US mail address (nowadays called snail mail). If they want to send a donation they can do it using PayPal. The email attached to my PayPal account is the one associated with the webpage, namely: JMJ@JMJsit.com. People may also send a donation using a check, money order, or cash; they can send it to:

Thank you for visiting <http://www.JMJsit.com>. Please tell others about this website and pray much more. Saint Alphonsus Maria (the great Doctor of prayer) reminds us that: “Those who pray will certainly save their souls, and those who do not pray will certainly lose them.” Read the sermons and listen to the audio files. “Ignorance is the mother of all evils.” Do penance for Jesus told us: “Unless you do penance you shall all likewise perish.” The devil is never far away from those too busy to pray! If Truth stands in your way, you are going on the wrong path!

Ora pro nobis,
Patrick Henry
