

## AMAZINGLY SIMPLE HOME REMEDIES

Avoid cutting yourself when slicing vegetables by getting someone else to hold them while you chop.

For high blood pressure sufferers: simply cut yourself and bleed for a few minutes, thus reducing the pressure in your veins. Remember to use a timer.

A mouse trap, placed on top of your alarm clock, will prevent you from rolling over and going back to sleep after you hit the snooze button.

You only need two tools in life: WD-40 and Duct Tape. If it doesn't move and should, use the WD-40. If it shouldn't move and does, then use the duct tape.

Always remember: Everyone seems normal until you get to know them.

If you can't fix it with a hammer, you've got an electrical problem.
