How many of these did YOU know about?

A sealed envelope - Put in the freezer for a few hours, then slide a knife under the flap. The envelope can then be resealed. (hmmmmmm...)

Whenever I purchase a box of S.O.S Pads, I immediately take a pair of scissors and cut each pad into halves . After years of having to throw away rusted and unused and smelly pads, I finally decided that this would be much more economical. Now a box of S.O.S pads last me indefinitely! In fact, I have noticed that the scissors get 'sharpened" this way!

==========

Blood stains on clothes? Not to worry! Just pour a little hydrogen peroxide on a cloth and proceed to wipe off every drop of blood. Works every time! (Now, where to put the body?) LOL

==========

Use vertical strokes when washing windows outside and horizontal for inside windows. This way you can tell which side has the streaks. Straight vinegar will get outside windows really clean. Don't wash windows on a sunny day. They will dry too quickly and will probably streak.

==========

==========

Wrap celery in aluminum foil when putting in the refrigerator and it will keep for weeks.

When boiling corn on the cob, add a pinch of sugar to help bring out the corn's natural sweetness.

==========

Cure for headaches: Take a lime, cut it in half, and rub it on your forehead. The throbbing will go away.

To get rid of itch from mosquito bites, try applying soap on the area and you will experience instant relief.

==========

Ants, ants, ants everywhere ... Well, they are said to never cross a chalk line. So, get your chalk out and draw a line on the floor or wherever ants tend to march. See for yourself.

==========

Use air-freshener to clean mirrors. It does a good job and better still, leaves a lovely smell to the shine.

==========

When you get a splinter, reach for the scotch tape before resorting to tweezers or a needle. Simply put the scotch tape over the splinter, and then pull it off. Scotch tape removes most splinters painlessly and easily.

==========

Now look what you can do with Alka Seltzer..... Clean a toilet. Drop in two Alka Seltzer tablets, wait twenty minutes, brush and flush. The citric acid and effervescent action clean vitreous China.
