Let me get this straight . . . .

We're going to be "gifted" with a health care plan we are forced to purchase and fined if we don't,

Which purportedly covers at least ten million more people,
without adding a single new doctor,

but provides for 16,000 new IRS agents,

written by a committee whose chairman says he *doesn't understand it*,

***passed* by a Congress *that didn't read* it but *exempted* themselves from it,**

and signed by a President who *smokes*,

with *funding* administered by a treasury chief who *didn't pay his taxes*,

for which we'll be taxed for four years before any benefits take effect,

by a government which has already bankrupted Social Security and Medicare,

all to be overseen by a surgeon general who is *obese*,
and *financed* by a country that's *broke!!!!!*

'What could *possibly* go wrong?'
