Our God is an Awesome God in the things we take for granted...

Always the same timing in the little things.

For example:
-the eggs of the potato bug hatch in 7 days;
-those of the canary in 14 days;
-those of the barnyard hen in 21 days;
-The eggs of ducks and geese hatch in 28 days;
-those of the mallard in 35 days;
-The eggs of the parrot and the ostrich hatch in 42 days.
(Notice, they are all divisible by **seven,**
The number of days in a week!)
God's wisdom is seen in the making of an elephant...
The four legs of this great beast all bend forward in the same direction... No other quadruped is so made. Too large to live on two legs, God's plan gave it four fulcrums so that it can rise from the ground easily.
The horse rises from the ground on its two front legs first.
A cow rises from the ground with its two hind legs first.
Each one has its way to do what it does.
Whatever the Lord makes is always very efficient.
He is a God of ORDER.
-Each watermelon has an **even number** of stripes on the rind.
-Each orange has an **even number** of segments.
-Each ear of corn has an **even number** of rows.
-Each stalk of wheat has an **even number** of grains.
-Every bunch of bananas grows with an even number of bananas on the bottom row. Each row up decreases by one. The next row has an odd number and the next row an even number and so forth. It never varies.
-The waves of the sea roll in on shore **twenty-six waves to the minute,** no matter if calm or stormy.
All grains are found in **even numbers** on the stalks, just as God specified: thirtyfold, sixtyfold, and a hundredfold! (Mark 4:20)
God has caused the flowers to blossom at specified times during the day. Linnaeus, the great botanist, once said that if he had a conservatory containing the right kind of soil, moisture and temperature, he could tell the **time of day or night** by the flowers that were open and those that were closed!
If everything on this earth were analyzed in this way, we would SEE God in it every bit of it!
When we let our lives be ordered by Him, He can make ALL the things work out for us, things that we can't. Wisdom prays and asks Him for help, to make our life "WORK".
The One Who made our brain and heart is also able to successfully guide us to a profitable end.
