

NOTICE: on March 16, 2020, I sent the following letter to people on the email list. A number people replied saying that they found it helpful; and some of them strongly recommended I put it on the website. Consequently, now it is presented here for you to read if you wish to do so.

Praised be Jesus, Mary, and St. Joseph now and forever. Today, when I checked my email I found one titled, "I am scared." The only message inside that email simply said: "help."

Have you read the Mass prayers for this Monday of the third week in Lent? The introit is taken from Psalm 55. "*In God I will trust: I will not fear what man can do against me.*" "*In Deo sperabo: non timebo quid faciat mihi homo.*" Will we be like King David and trust in God and not fear what man can do against us?

Maybe we should read again the fourth book of Kings, chapter 6. It should give us courage to be reminded how God takes care of those who are faithful to Him. Prior to verse 15 it talks about the king of Syria sending an army to take Eliseus; and then let us pick up with verse 15.

"Therefore he sent thither horses and chariots, and the strength of an army: and they came by night, and beset the city. And the servant of the man of God rising early, went out, and saw an army round about the city, and horses and chariots: and he told him, saying: Alas, alas, alas, my lord, what shall we do? [In other words, the servant was in a state of great panic; just as many people are now in a state of panic and fear.] But he answered: Fear not: for there are more with us than with them. [Have you forgotten you have an angel ever at your side? The guardian angel that God has given to be your protector and guide is more powerful than all the human beings on earth put together! Indeed there are more powerful protectors with us than with them – to fight against evil people on earth! However, our problem is our weak faith and we do not see the powerful protectors God has given us nor call upon their help as we should. As a consequence people are saying alas, alas, alas, what shall we do?] And Eliseus prayed, and said: Lord, open his eyes, that he may see. And the Lord opened the eyes of the servant, and he saw: and behold the mountain was full of horses, and chariots of fire round about Eliseus. And the enemies came down to him, but Eliseus prayed to the Lord, saying: Strike, I beseech thee, this people with blindness. And the Lord struck them with blindness, according to the word of Eliseus."

You might want to again review the first and second chapters of the book of Job. Realize the great important lesson the Holy Ghost teaches us therein; namely, that Satan was completely unable to do the least, smallest, slightest, or teeniest thing against Job without the permissive will of God!

Next you might want to review St. Matthew chapter 8; St. Mark chapter 5; and St. Luke chapter 8. Once more you will learn an important lesson for all of us to always remember; namely, that the devils could not even DO THE LEAST THING, such as go into the herd of swine until Jesus Christ gave them His permission to do so!

Truly, Jesus can also say to us, "*Oh ye of little faith!*" Therefore we should fervently pray, "*Lord, increase our faith.*" Why is our faith so weak? Why do we panic? Why are we afraid and of whom or of what are we afraid? Jesus spoke to them, and to us, "*Be of good heart: it is I, [I, who am God Almighty, who knows all things and who created all things and controls all things and therefore I say to you also] fear ye not.*" "*Peace be to you; it is I, [who have this "pandemic" virus under control. Everything related to this coronavirus, together with all of the results happening throughout the earth, are part of my creation, nothing happens in the entire universe without My permissive will, therefore I say to you again] fear not.*" "*But a hair of your head shall not perish [without the knowledge and permission of your kind and loving Father]."* "*And he said to them: Why are you troubled, and why do thoughts [of panic or fear] arise in your hearts?"* (Luke 24:38). When will you remember that every atom of My creation, including that part of creation that makes up this coronavirus, as well as all of those people the Deep State causing fear and panic, are under my complete control and dominion! No one can get sick and no one can die without My permission! Nevertheless, it is appointed unto all men once to die and after death the judgment. If you are still afraid of sickness, death, and the judgment; then why do you not go to www.JMJsite.com and make a good preparation for death by listening to the book in MP3 files, *Preparation for Death* by St. Alphonsus Maria Liguori?

When will we comprehend the important lesson that the Doctors of the Church so often teach! Nothing happens in the entire world without the permissive will of God! Have we forgotten the first principles? God is

the Creator, and we are His creatures! We belong entirely to God. God can do with us whatever he wishes. Everything that happens in this world, sin alone excepted, only happens by the will of Almighty God. Remember, God knows all things; God controls all things. “*And we know that to them that love God, **all things work together unto good**, to such as, according to his purpose, are called to be saints.*” (Romans 8:28)

I am also going to recommend that very often you listen to the MP3 files:

UNIFORMITY WITH GOD'S WILL.

<http://www.jmjsite.com/a/11/11t1s1.mp3> and <http://www.jmjsite.com/a/11/11t1s2.mp3>

You might also want to hear the MP3 files from the tape recording made for some others in the 1980s: <http://www.jmjsite.com/a/56/56t1s1.mp3> and <http://www.jmjsite.com/a/56/56t1s2.mp3>.

But probably above all and before all, do not forget the necessity and the power of prayer. “Those who pray will certainly save their souls, and those who do not pray will certainly lose them.” There are quite a few articles and books now recorded as MP3 files at www.JMJsite.com which teach us and remind us of this great important necessity of prayer. As *The Sunday Sermons of the Great Fathers*, St. Alphonsus Maria, St. Francis de Sales, St. John Mary Vianney, Father Michael Mueller, Father Hunolt, Father John Kearney, Father Paul O’Sullivan, St. Louis Marie de Montfort, and others remind us: those who truly are faithful to mental prayer every day will save their souls. Go to the website and listen to their books as MP3 files. But strange to say, as important as prayer is; **it is the one thing that is neglected by most people**. How many people do you know who spend a minimum of at least one hour every day in true meditation on things such as the Passion of Jesus Christ; the great love God has shown us in giving us His own Mother to be our mother – and what that should mean to us; death; judgment; heaven; hell; and the length of eternity!

“*In all thy works remember thy last end, and thou shalt never sin.*” (Ecclesiasticus 7:40) What will be the LAST end for every person on earth? That is not only their death, but their LAST END is where their body and soul will be for eternity after the General Judgment! The truth is that what every person does during each moment of their life determines their LAST end.

Their LAST END for the majority of human beings will be somewhere in the depths of hell for eternity, according to the words of Jesus Christ, the Eternal Truth; “*Enter ye in at the narrow gate: for wide is the gate, and broad is the way that leadeth to destruction, and many there are who go in thereat. How narrow is the gate, and strait is the way that leadeth to life: and few there are that find it!*” (Matthew 7:13, 14).

How many abortions are there each year in China?

Look at what this website reports <https://www.lifesitenews.com/news/china-commits-staggering-23-million-abortions-per-year-according-to-us-stat>. China alone commits a staggering 23 million abortions per year! “23 million abortions a year comes to 63,013 abortions a day, 2625 abortions an hour, 43 per minute.” (Almost every time that grandfather clock ticks, another baby is murdered in China! How many innocent babies are actually murdered every second throughout the world?) These 23 million abortions that take place each year in China are only counting those performed and registered in the legalized clinics with the assistance of the cold-blooded murderers called Doctors! The website says there are another 10 million abortions caused by the use of the abortion pill. Then there are those that take place in other facilities not so well registered or accounted for in the public records. And that is only in one country!

How many abortions are there throughout the world per year?

If we had the knowledge that Almighty God has, would we be surprised to find that there is more than an average of two abortion murders every second? That means there are more of these murders promoted by the World Health Organization (WHO) performed in **just 30 seconds**; then there have been people that died from this coronavirus since it began over three months ago! The World Health Organization certainly does not have the health of the world and the saving of human life as its goal!

The evil people controlling the world make such a big thing, with their lying, fake news reports, of a few hundred or possibly a few thousand people dying from a man-made virus! Why is there no talk about the super evil man-made pandemic virus of killing innocent babies by the millions year after year!

One of the teachers I had during the four years of high school sends out a newsletter. He stated that everyone in the competition of the presidential candidate for the Democrats is strongly promoting these abortion murders, as part of his beliefs on the agenda. How can anyone who believes in God and His commandments

ever justify voting for such an evil person? Who is their high up in the Democratic Party who does not favor abortion and socialism?

The abortions are only the murder that is the end result. How many other billions or trillions of sins are committed every day throughout the world in thought, work, and deed!

May Almighty God have mercy upon us and upon the whole world!

Some people **MUST BE PRAYING**; otherwise God would have most likely brought the world to its deserved punishments by now!

Nevertheless, as evil and scary as some things are now, we know from sacred Scripture that things are going to get much worse. *“And that no man might buy or sell, but he that hath the character, or the name of the beast, or the number of his name.”* (Apocalypse 13:17).

At least at this time people can still buy and sell things. As far as I know, The Man of Perdition and the two Witnesses spoken of in the book of the Apocalypse have not yet appeared. There are people who will still have to endure that persecution for three and one half years. We have not yet been put under great pressure to accept the mark of the beast on the forehead or the right hand.

On the lighter side of things, a friend sent me this picture of the medicine cabinet of how to treat the coronavirus:

And now back again to more serious subjects. Especially if you own your own property, have you considered making a cave? It has been stated by those who do the research that if you dig down about 8 feet under the surface of the earth and have a properly made cave, the temperature automatically stays at a very livable and more or less constant temperature. Therefore, there would be no need for heating or cooling.

Do you raise your own microgreens? This food is far more nutritious than even the mature vegetables. They can be raised in your own home; and especially if you had your own good cave. There is a very lot of information on the Internet about microgreens, and this website can give you a start into your research on the subject: <https://www.microveggy.com/sprouts-vs-microgreens>.

Already in the past, years before the coronavirus became known, I was told by a friend about the great health benefits using his PEMF Bemer machine. After that conversation, I did some research about PEMF machines. If you are interested in them, you will find that there are many different brand names with different frequencies and different kinds of waves and so forth. With the research I have done, the best one out there that I know of at this time is the Sedona Pro. In my opinion, I think that very few if any who come in contact with the coronavirus would become seriously ill if they had been using this Sedona Pro machine twice a day as recommended with the correct frequencies. This Sedona Pro PEMF has been known to help very many other health problems as you can find out on the website. The link given below will take you directly to the coronavirus link; but just use the website and check everything out until you are completely educated about it. As kind of a side note, you can also talk to Franz Zach, whose contact information is given on the website. Watch the videos and understand what it is all about concerning PEMF and why probably the Sedona Pro is the best machine to use. If you do decide to buy the Sedona Pro machine, there is a chance that you can buy one at a discount if you talk to me first – or at least tell Franz Zach that you learned about his equipment from Patrick Henry.

I also received another email today that goes to this link https://www.youtube.com/watch?v=ShW8YW_oo1I. It seems like the general message of the video is that the intended evil by the Deep State evil people to cause misery in the world with the coronavirus is now being used **AGAINST THEM!** It seems like all of these

lockdowns; closers of stores, schools, airports, etcetera; calling out the National Guard and the rest of the military are now actually being used to arrest many people. Maybe the “good” people are now arresting those who have been participating in corruption and worldwide pedophilia and human trafficking, crimes against humanity, TREASON, murder, rape, etcetera. This includes Hollywood entertainers, NBA and NFL athletes and staff, politicians, pastors, banking CEOs, corporate heads, school officials, coaches, and educators. Some of your doctors, lawyers, judges, college professors, school teachers, police officers and chiefs, firemen, business owners, airport workers, pilots, bankers, priests, everyday people are currently being arrested for their crimes against humanity. A lot of them are involved in nefarious behaviors and secret societies, so the masses have not been privy to their wrong doings, ritualistic abuse, child sex trafficking, child hunting parties, ritualistic murders, drug trafficking, involvement in underground activities in the Deep Underground Military Bases (D.U.M.B.S.), etc.

In conclusion, remember to imitate Saint Patrick in his prayer life and his life of mortification. This link <https://jmjsite.com/stpatrick.pdf> will instruct us.

I will ask you to live a better life and be consoled and increase in Grace for eternity. This sermon about prayer <https://www.jmjsite.com/y/us/138r5y-Prayer%20for%20Perseverance%20in%20Good.mp3> will help those who apply what Father Hunolt taught us. Father gives the solution for every problem we have during life!

Thank you for visiting <http://www.JMJsite.com> and please tell others about this website. If only the people would listen to the sermons and read the articles found herein; at least a few more people would save their immortal souls who will otherwise go to hell forever! I pray that you will live in such a way that the Good God will always constantly Bless you while He keeps you from all sin. May Jesus, Mary, and Saint Joseph obtain for you every grace you need to live and die in the True Church in the state to sanctifying grace – having obtained that degree of holiness it is God’s most holy will that you obtain.
