

# Just married

Did you hear about the lady just married for the fourth time visiting with those invited to the reception? One of her friends stated that, I understand this is your fourth marriage. Yes replied the newly married bride this is my fourth husband. My number one husband was a banker. My number two husband was an entertainer at the circus. My number three husband was a preacher. And now as you know my number four husband is an undertaker.

All that is interesting, replied her friend. Do you care to comment on why you chose men in those professions?

The bride just married for the fourth time replied: One for the money; Two for the show; Three to get ready; and Four to go!
