

THE LOGOS SAY IT ALL – SNAKE VENOM INFORMATION

It is clear that most research that comes from the medical establishment is false because the “studies” have been funded to propagate lies. The logos say it all. He who is found in all the logos of the medical world (and in multitudes of logos of Corporations) was a murderer and liar from the beginning!

Freemasonry + snakes

The serpent biting its own tail is commonly known as Ouroboros. In Norse mythology, the world serpent Jörmungandr grows so large that it encircles the Earth and bites its own tail. In this particular sculpture, the serpent's body rests upon and cradles human skulls, with a crescent moon above its head. The meaning of this should be obvious.

Grand and Glorious Order Knights of the Creeping Serpent

Just when you thought you'd heard it all in the Masonic fraternity, another imbroglio comes along. Such are the times that try the souls of Grand Masters. I am not posting anything secret – this letter has been circulated on the Internet over the last day or so.

The fangs of Satan's red tongue injecting lies and poison wherever NASA is involved & Satan eating his own tail in the famous Masonry, Ouroboros symbol. The blue globe that is fatter at the "equator" than from the North to South Poles. The red, white, and blue colors of the USA, which has ALWAYS been a country founded and controlled by the Free Masons.

Isn't it interesting the star for the order of the Eastern Star looks identical to the church of Satan's satanic pentagram? Eastern Star also known as Dog star? Dog, D O G literally opposite of God G O D? In the end The RELIGION of Freemasonry is satanic.

For those willing to look for it, there is a huge amount of illuminati, Free Masonic symbolism and connections in the non-Catholic Novus Ordo sect. Among other positive giveaway signs is the fact that anti-Pope John Paul II even promulgated in his Code of Canon Law that the "catholics" of his religion may now belong to the Free Masonic lodges; although Albert Pike said the god of Freemasonry is Lucifer. This teaching of anti-Pope John Paul II is in direct contradiction to the teachings of the true Catholic Church. The Catholic Popes have written that you are excommunicated for belonging to any Free Masonic Lodge.

The Traditionalist Movement it is also deeply involved in Freemasonry. Look up the history of Archbishop Marcel Lefebvre being ordained and consecrated by very high ranking Freemason. Have you reviewed the information concerning Bishop Williamson – one of the four men that were consecrated by Archbishop Marcel Lefebvre?

Patrick, they are just trying to cover it up--probably paid to do so. Virus was never isolated, he totally ignored the fact that they banned all cures for envenomation...he didn't touch that subject; and check THESE OUT.
