Will you spend the last hour of the old year and the first hour of the New Year united with the Angels and Blessed in Heaven or with the fallen Angels and damned souls in Hell? Use the following hyperlink to help you spend them well. <https://jmjsite.com/lastandfirsthoursofoldandnewyears.pdf>.

Hundreds of thousands of people throughout the world have received their Particular Judgment during 2023. We should expect hundreds of thousands of others to receive their Particular Judgment in 2024. Will we be among that number? If we are "counted among the dead" in 2024, where will we spend eternity? We are all given a very limited amount of time, just one second at a time, to prepare for that everlasting eternity. What do we do with this exceedingly precious gift of TIME? What have we done in the past with the precious gift of time, and what will we do in the future with this precious gift of time? Never forget that our eternity depends upon how we use our time.

During the New Year of 2024, and for the remainder of your life, may the good God grant you all the crosses, contradictions, sufferings, joys, graces, and blessings you need in this life, so you will live in such a way to be with Jesus, Mary, and Saint Joseph for eternity.

Ora pro nobis,
